

Happy New Year!

Welcome to 2016! Our first week back has certainly been a busy one and January will see us welcome more children to the nursery and see our staff team expand. More details on our new recruits in the next bulletin. However we also say farewell and good luck to Siobhan as she starts her maternity leave.

Weather Appropriate Clothing

As this spell of inclement weather continues can we please remind all parents to provide the nursery with wet weather gear for your child including a waterproof jacket or all-in-one and wellies. Please provide these in a drawstring bag with all items clearly labelled.

Garden Project Update

Unfortunately this wet weather has impacted the delivery of the top-soil for the Pre-School garden however we hope it won't be too much longer before we can install the first layer and let the children have fun tramping it down - definitely a day for wellies! The good news is that the outdoor classroom is now available and ready for shaping by the children into whatever sprouts from their interests.

Dates for your Diary

Monday 25th January - Parents Forum 18.00-19.00

Please come along and help us shape our communications strategy. We really value your views and hope to be able to show you some exciting new developments.

We hope you find this interesting and please do speak with a member of staff if you would like further details or if you would like to comment or make suggestions for future topics.

JANUARY 2016
